PROCEEDING MEMO

MATTER: #50 - Motion to Extend the Loss Mitigation Period

APPEARANCES:

Debtor: Julie Steidl
Trustee: Jana Pail
Creditor: Matthew Pavlovich

NOTES:

Steidl: Pavlovich has all the information he needs and needs time to review.

Pavlovich: Requests 60-day extension to review. Creditor represents it has all necessary documents.

Pail: Plan is in month 12. Wages are remitting. Plan payment is \$1,306/mo. \$2,909 are in arrears, possibly due to late payment start or timing of wage remittances. Seeks to reduce percentage fee pending budget approval, so there is a possibility there's another wage remittance at the bank that has not posted.

Steidl: No objection to extension.

OUTCOME:

1. A 60-day extension to the LMP is granted. (Text Order to issue.)
